Description	
<i>Provide a short description of the event and its activities.</i>	
<p>The project was primarily focused on solving equality between the nations of Europe, equality between generations, equality between EU citizens, equality between the majority and minorities. It was implemented as a single event. The following activities were carried out during the event:</p>	

**Friday, 26/08/2022**

Opening of the event and presentation of the project - an activity aimed at presenting the project program, partners and financial support from the EU

Exhibition of amateur photos on the topic of the coronavirus, lockdown and life - an exhibition of photos capturing the pandemic and the life of ordinary citizens

Partnership and the coronavirus – debate on the future of the partnership and the impact of the coronavirus pandemic on municipalities, exchange of experiences

Debate on Europe - discussion on how the EU helps citizens in their daily lives, discussion on activities that the EU should carry out for citizens, presentation of successful projects financed by EU funds

What unites us - performances by ensembles representing national minorities

**Saturday, 27/08/2022**

Sports competitions - sports competitions for all generations and all participants

Information booth about the EU - providing relevant information about the EU, handing out brochures

Creative children's corner - getting to know the EU in a playful way, creative games for younger participants

Young volunteers - presentation of volunteer activities for young people, presentation of the European Solidarity Corps, examples of good practice

A person in danger - a discussion on development and humanitarian aid and social integration of minorities and foreigners

Competition in cooking gastronomic specialties of the nations of Europe - presentation of the identity of the nations present

Conference on the future of Europe - selection of interesting topics for discussion from ongoing events across Europe, realization of joint discussion and search for solutions

Performances by artists from partner municipalities - presentation of the multiculturalism of the partnership and the development of the cultural identity of the participants present

Evening of church music – chamber version of culture, use of church acoustics for singing, development of cultural identity

Social evening with music - intercultural engagement, breaking down prejudices between participants

**Sunday, 28/08/2022**

Holy Mass/Services of God - involvement of religion in overcoming barriers

We live in a mixed territory - workshop on the work of municipalities with national minorities, examples of good practice

Thoughts on the future - discussing Europe by 2030, looking for solutions and ideas

A moment for seniors - presentation of work with seniors in partner municipalities, presentation of the Active Aging initiative, presentation of the European Federation of Seniors

Show me understanding - a benefit concert for all generations

Summary and closing of the event - summary of the project, thanks to partners for their participation, presentation of support from the EU

The activities were intended for the target group: ordinary citizens of the partner municipalities - participants in the implementation of the project.
