| Description   |   |
| <i>Provide a short description of the event and its activities.</i>   |   |
| <p>The event was aimed at presenting the tale of the Europe, which is based on peace, solidarity, belonging and democracy. The event included a presentation of the cultural diversity of the nations present, solidarity was promoted and the EU was introduced. Thanks to this, the three nations came together after the pandemic period. It was a single event. The following activities were carried out during the event:</p> |   |

**Friday, 25/08/2023**

Opening of the event with the participation of the media - presentation of the project, presentation of the CERV programme

Peace or war - an exhibition of children's drawings about how they perceive current events

Conference on Europe - presentation of interesting ideas and proposals for activities for the future of the EU resulting from the Conference on the Future of the EU, discussion

Communities during a pandemic - sharing best practices on how communities have dealt with the COVID-19 pandemic

Culture of national minorities - presentation of cultural diversity

**Saturday, 26/08/2023**

Information booth about the EU - dissemination of information about the story of the EU

Sports Olympics – sports competitions for citizens of partner municipalities, getting to know each other, overcoming prejudices

What is it like to be a volunteer? – presentation of volunteer organizations from partner municipalities and learning about volunteering

Competition in cooking gastronomic specialties of the nations of Europe - presentation of the identity of the nations present

Why solidarity? – workshop on working with national minorities, workshop on the possibilities of helping migrants from Ukraine who remained in Slovakia

What kind of Europe do we want? – workshop and discussion with EuropeDirect about the future of Europe

Performances by artists from partner municipalities - presentation of cultural diversity

An evening of church music - a presentation of cultural diversity

Social evening with music - presentation of cultural diversity, overcoming prejudices

**Sunday, 27/08/2023**

Show me understanding - benefit concert of children from the orphanage, solidarity support

Summary and closing of the event - summary of the project and its benefits

The activities were intended for the target group: ordinary citizens of the partner municipalities - participants in the implementation of the project.

**Impact on target groups**

By attending the project implementation target groups got the opportunity to meet new people, got to know their culture, got to know the EU, got to know its benefits and became an active EU citizens. These impacts are related to: young people, adult population, seniors and self-governing representatives.

**Conclusion of the event**

The event gave participants the opportunity to join the European family. The meeting of the three nations had a significant cross-cultural dimension. Thanks to this, the spread of solidarity was supported within

the event. Citizens' view of the EU has also changed, which is a significant benefit in times of crisis on the European continent.
